Women's Basketball Announce New Recruits for Next Season!

February 12, 2008 – According to Head Coach Joe Enevoldson, "We are very pleased as a coaching staff to add 4 outstanding STUDENT-athletes to next year's program. Their desire and overall skill set will help our basketball program be very successful next year, not only from an athletic viewpoint but from an academic standpoint as well".

Sam Hornquist - 5'9" Point Guard - Mount Baker (Cranbrook BC) - Sam is a very skilled, athletic, guard who will play an integral part in next years team. We are very excited to have Sam attend Mount Royal College.

Stephanie Inman - 6'0" Small Forward - Centennial (Calgary, AB) - Stephanie has the potential to be a great ball player. Her work ethic and athletic ability are outstanding, and she will be a dominant forward in the ACAC.

Maria McKee - 5'8" Guard - St. Francis (Calgary, AB) - Maria has a great overall skill set, and with experience will become a very good ACAC player. She is a complete basketball player. Her ability to provide support on offense is only rivaled by her stellar defense.

Evan Hudson - 6'2" Post - Ponoka (Ponoka, AB) - Evan has incredible skill, and will dominate the post in the ACAC. She is a very good defender, and is working hard to develop her offensive skills.
